

2010 Old Guard Fife and Drum Corps

Juniors' Workshop Solo Festival

This is a great opportunity to build your performance skills in a non-competitive, supportive atmosphere. Come perform your choice of music for a small panel of our members, who will provide you with comments on your performance.

Guidelines:

- Performance slots will be assigned Saturday afternoon between 5:30 and 7:30 pm (during the Old Guard Joint Performance and Jam Session). These are limited and will be filled on a first come/first serve basis.
- Participants will play for 2 members of The Old Guard Fife and Drum Corps.
- Performance should include 1 or 2 selections of your choice, for a total performance time of no more than three minutes.
- Performance limited to fife, snare drum, or bass drum.
- Individual performances only.
- Participants will receive written comments on their performance and a participation memento.
- Please provide a copy of the music you will be performing at check-in on Friday evening or Saturday morning.
